## Blessings Abound!

So much has been happening here at Harmony Life! We hope that the following updates give you encouragement and HOPE in what God continues to do every day through his people! Thank you for reading this newsletter. Your prayers and support mean the world to us!

### 'Homes for the Homes'

One of our donors, (who is also a real estate investor), came up with a wonderful idea, and he is encouraging others to follow suit.

He has dubbed his idea 'Homes for Homes'. The concept is for anyone who deals in real estate (but also loves to serve), to take one property that they own (or a portion of a property), and donate the monthly rents, or a percentage of a property sale, to our program.

While flipping houses, selling houses or operating rental properties is a booming business in the US it can also greatly benefit those who have no access to secure shelter in Uganda.

A 'home for a home' is the thought. If you are interested in joining this group of givers or would like more information on doing this, please contact us as we would love to talk with you more!

It is a fantastic and ingenious way for those in real estate to give and to make a big impact for some of the most vulnerable families in the world.

## Homes for the Homeless Program

### What Hard Work Looks Like!

We are currently working on the 2nd half of a duplex home.

We hope to have our next family move in this summer!

Providing shelter for the most vulnerable families is what this program is all about. Here are a few photos of our progress on this latest home so far!

## March 2017 Mission Trip!

### A few highlights!

Our three day outreach touched many hundreds of people, praise be to God!

Spending time with some of our amazing 'EMPOWER!' tailoring students in Soweto...

Our team praying, preparing, traveling and just being present for all God had to offer!

Ty Morris and H.O.W. concert! WOW! What an amazing time of praise, worship and incredible testimony!

Taking church to the streets—street ministry and feeding over 500. The more we do this ministry, the more we desire to do.

No cameras were allowed inside Katojo prison - but we are here to testify that it was POWERFUL! Bibles (small scripture books), as well as bars of soap and a cow for a meal of meat were gifted. After worship, and a heartfelt message by Pastor Ron Smith, one

hundred men came forward to receive God's love and mercy! No words can fully express this day.

## Harmony Life Kids!

We recently had a fantastic outing with our sponsor kids at a local park. Playtime, lunch, prayers, music and an inspiring message from Pastor Ron Smith all made for a memorable day! Our kids are **AWESOME!** We are blessed!

We thank God every time a child gets a sponsor. There is hope for a hopeless child and brightness is put back into their smile! Sponsorship is simple and only \$35 per month gives a new start to a child in need. If you or someone you know might be interested in sponsoring a child, please go to our website and sign up today! [www.harmonylifeinternational.org](http://www.harmonylifeinternational.org)

## Current Ministry Needs

We are often asked, 'How Can We Help?'  
'What are your most urgent financial needs?'

So, for those interested, here goes...

Right now, we are in need of approximately \$2,000 to help us cover a few program costs such as: vocational teachers salaries and class materials and school fees for a few children whose sponsors had to stop their sponsorship along with a few kids that have special needs. Regular monthly donors would be of great benefit to us.

If you are able to help, please stop by our website, click any 'donate' button, and make a one-time or recurring 'General Donation' @ [www.harmonylifeinternational.org](http://www.harmonylifeinternational.org).

Checks can also be mailed to:

Harmony Life International  
P.O.Box 453  
Hygiene, CO 80533

*Thank you  
for your  
support!*

We are also praying for a ministry vehicle! A van like the one pictured below is what would meet our needs best in Uganda. We have been renting vehicles when we need them, but it is expensive and it would be a huge blessing to have our own. This type of vehicle would cost approximately \$15,000 and would be used for many things including:

- Transportation for staff, volunteers and mission teams.
- Transporting sponsor children to and from school during holidays or for ministry events
- Hauling materials for projects
- Transportation for those who are sick to get medical treatment.
