## Lifting Praises!

Delight yourself also in the Lord and he shall give you the desires of your heart - Psalm 37:4

OCTOBER is PRAISE month around here! Well, actually EVERY month is praise month as our God never fails us, but this month in particular we dedicate to intentional PRAISE! We hope that you will join us, if even for a moment right now, and raise up some praises for every big and small blessing in your life. No matter the difficult times and the obstacles, when we focus on praise, we find that there is always something to give thanks for. And it becomes contagious if we let it!

In this newsletter you will find a few of the many PRAISES that we are singing today! Thank you for your prayers!

## Homes for the Homeless

Secure housing - a basic human need

The first half of our latest 'Homes for the Homeless' duplex, (as well as the dual latrine and dual kitchen), is complete! A family that was evicted from their land, due to electrical hazards nearby, built a makeshift shelter in a swamp to live in. They consider it a miracle from God that they now have a safe place to lay their heads! Thank you to our donors and to all those who made this home possible! Once the second half is complete, another family in great need will also receive the blessing of secure housing. *If you would like to donate toward completing this 2nd half (\$4,000 remains), please go to our website/'Homes for the Homeless' tab.*

# NEIGHBORHOOD BLOCK PARTY

Church starts on Monday

We hosted our first 'neighborhood block party' in the neighborhood where our 'Homes for the Homeless' homes are built. Pastor Sanyu from a nearby church shared an inspiring message and Kaahwa Ka Nsengerwa group performed enjoyable skits for everyone including one on perseverance. A nice meal was shared by all and music and prayers were sent out across the community thanks to a recently donated portable PA system that worked amazingly well! It was a memorable, community-building day of living out the Gospel and one that we will surely be repeating in the future!

# POTTERY IN THE MAKING

The JOY of creating

Many thanks to artist and potter, Winnie Ver Haag, who shared her talents with us during a recent day-camp with our sponsor children! It was a memorable day and the kids made many creative projects. They are aspiring artists in the making! What a blessing!

# GOATS GALORE!

Livestock - the gift that keeps on giving

Grace Fellowship of Gypsum, Colorado, hosted a summer VBS program that raised funds to purchase goats for our home recipients. We are honored that they chose our ministry to feature and we were blessed to see the appreciative faces and witness God's goodness!

## CHILD SPONSORSHIP SPOTLIGHT

We thank God for every child that gets a new sponsor. We like to imagine that every time a child is sponsored an angel gets it's wings! There is hope for a hopeless child and brightness put back into their smile! Sponsorship is simple and only \$35 per month gives a new start to a child in need like Bob. If you or someone you know might be interested in sponsoring a child, please go to our website and sign up today!

We have been searching for a sponsor for Bob for many months. Be our Hero and sponsor Bob today!

# EMPOWER!

Encouraging, Mentoring, and Providing Opportunities for Women in Entrepreneurship

When looking at these women, it is hard to see that most have never had an opportunity to shine in their entire lives. They have experienced many hard times and gone through a lot of adversity. This training brought them a renewed spirit! They were so excited to have completed our tailoring course and for the first time felt like the strong, capable women that they are. To God be the glory!

## Sponsorship Changes Lives

From despair to HOPE

Racheal is one of our students currently finishing up a nursing degree. Rachel has a difficult homelife. Her father abandoned her family at an early age and her mother does not look after her. Her only stability has come from God, her sponsors and from her Harmony Life family. Rachel is a very hardworking and dedicated student and we are so proud of her. What a blessing to see her thrive!

*"For I know the plans I have for you says the Lord, plans to prosper you and not to harm you, plans to give you a hope and a future" Jeremiah 29:11*

It is a 'dream come true' when sponsor kids get to meet their sponsors! Two special reunions happened just recently on our last missions trip. Eresi would have been subject to early marriage or other abuses had it not been for the opportunity to attend school.

Geoffrey suffered from a terrible skin condition that left him as an outcast. His life was changed when his sponsor came into the picture, helped him get treatment and put him through school. Missions make a difference and Sponsorship changes lives!
